ABOUT US

The journey of Snehsanskriti Group began in the year 2014. With the establishment of Snehsanskriti, Within the short span of 9 years, we have become one of the few organizations in India which provide complete business services to our clients with varied range of matters.

Snehsanskriti being a well-structured team of progressive & specialized business professionals, the Group carries team with it an experience of more than 20 years in advising many Indian business houses and multinationals operating in India on a wide range of matters including company formation, business re-organization, cross-border taxation advisory, taxation advisory, tax litigation support, FEMA advisory, GST consultancy, legal metrology, bureau of Indian standard, internal audit, custom related services, insolvency, and bankruptcy advisory, Insurance, Mutual Funds, PMS and other regulatory policy matters, across a range of industry sectors.

Built on a strong commitment to clients' satisfaction and adding value to clients' business, the Group acts as a 'One Trusted Advisor' offering a complete range of services to our clients. The strength of the Group lies in its strong team of professionals which consist of Chartered Accountants, Company Secretaries, MBAs, Lawyers, Insolvency professionals, and Financial Management Consultants having in-depth experience in providing multi-disciplinary services.

The Group has a corporate office in Faridabad. Our office is equipped with the latest IT infrastructure to serve our clients in an efficient and timely manner.

Why Us ?

Consistent value addition to our clients' business forms the basis of our approach. At Snehsanskriti Group, we spend significant time in analyzing the business operations, industry, functions, and goals of our clients to provide innovatively and out of box solutions to complex issues such as new business models, business restructuring, tax strategies, investment models, with a view to adding values to our clients' business and at the same time maintaining clients' confidentiality.

The main focus always remains on how we add some values to our clients' business. This focus also helps us to update ourselves with the changing dynamics of the business requirements and ever-evolving statutory regulations.

The Partners and Senior Professionals of the Group lead the delivery of all the service assignments to ensure that clients' expectations are met.
